

M&O
Marine Services And Ship Supplies Ltd.

M&O - Company Profile

M&O was founded in 2002 and was the first Syrian company to join the International Ship Suppliers Association (ISSA). This year M&O has successfully achieved the ISSA Quality Standard.

The company is managed by staff of maritime professionals (Captains and Engineers) and due to the high quality of service offered over the years, M&O has developed into the premier ship supply company in Syria.

As the name implies, we provide a complete range of maintenance, repairs, operations, chandlery and provisions, covering all aspects of ship operations: deck, engine, electric, electronics, cabin, medical, stationery, Fire Fighting Apparatus (FFA), Life Saving Apparatus (LSA) and pyrotechnics, etc.

In 2003, M&O created a new department and commenced the distribution of nautical charts, publications, IMO signs and posters. This department now offers the following items available for worldwide despatch:

- Admiralty Charts and publications
- Weekly Notices to Mariners and weekly tracings
- Chart correction service employing Admiralty methods
- Digital Charts including ARCS and ENC
- BA, IMO, OCIMF, ICS, TSO, NI publications
- Admiralty and IMO digital products
- Maritime safety training software
- Marine Software (cargo, stability, navigation)
- Various logbooks
- IMO Signs and posters
- Special signs and posters produced to customers requirements
